JAN - JUNE 2026

III

EXECUTIVE SUMMARY

The first half of 2026 has been a season of remarkable growth for Men's Alliance. By God's provision and your faithfulness in giving, He supplied over \$909,000 in total resources fueling the mission.

As you read this, the fire is burning in 465 active tribes across 43 states and four continents. In just six months we trained and Patched 253 new Barbarian Ambassadors - and men are stepping up to lead every week.

Our vision for the year is simple as we are Training Disciples Who Refuse to Conform.

GLOBAL REACH

Fires are spreading faster than ever. In the first half of '26, God delivered 123 new tribes, growing our brotherhood to more than 10,000 registered and active tribesmen in 43 states and 4 continents!

What began with a handful of men is now a global movement: from coast to coast and on to Kenya, Nigeria, England, Hungary, Australia, and New Zealand - with new leaders rising in the US, Mexico, Africa and Europe.

Every tribe we help plant is one more place a man no longer has to stand alone. This is Anyone & Everyone, so that No One... and by God's grace, we're just getting started.

SOURCES OF GIFTS

Men's Alliance runs on the dedication of countless volunteers, starting with the leaders of our 465 active tribes.

But it doesn't stop there. Men and women across the country and around the world share their talents in graphic design, finance, media, project management, and more, fueling this movement behind the scenes.

Our financial support is just as diverse. From hundreds of individual donors and over 200 War Council members who give monthly, to merch buyers, training and experience attendees, sponsors, auction participants, and gifts of stock.

Experience Excellence

With Birthday, War Council, CTF, Warrior Princess and the Leadership Summit, over 1,700 people have attended MA Experiences in 2026.

Merch Madness

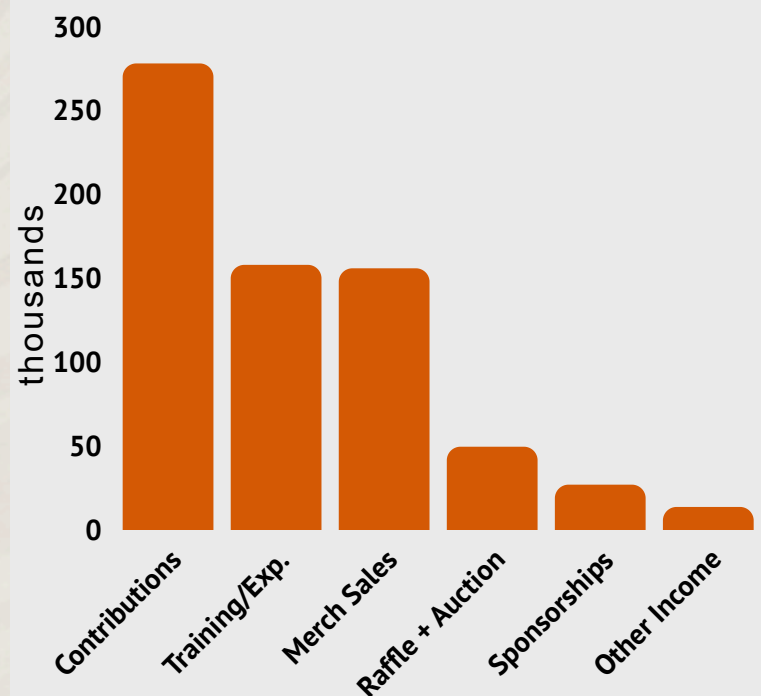

1,531 individuals purchased over 8,500 merchandise items in 1H '26.

Patched Power

Over 30% of Patched men give monthly, of those 2 out of 3 are giving \$93 or more.

REACHING FURTHER

A documentary film, "TRIBE", was completed and delivered in March, with testimonials and footage of tribesmen and the impact God is having in their lives by bringing them out of isolation and into discipleship that is Tribal. Rugged. Real.

This asset is helping us to reach and invite men who are far and wide in places where we don't yet have boots on the ground.

UPCOMING GOALS & STRATEGY

In the remainder of 2026 as we continue to seek God's guidance, we are pressing toward new tribes, lighting fires in the remaining states of the USA, and putting our best training in reach of every man.

“Our duty is to prepare ourselves and the ministry for the work God delivers to us through good planning, scalability and stewardship.

Josh “Sheepdog” Bufford
Director of Operations

TRAINING AND SUPPORTING LEADERS

01. EMPOWERING TRIBES

Our Tribe Launch Team, led by Ripper, and Tribe Support Team, led by Flint, are developing leaders every day to meet the needs of new and existing tribes. Online training and resources are coming online to ensure that there are systems to allow every tribe to sustain and thrive within our DNA.

02. MAKING DISCIPLES

Gladiator, Fresh and a deep bench of Trainers and Coordinators continue to tune Start The Fire, Carry The Fire and Forged Leadership to keep up with demand for men to learn skills wherever they are.

03. OUTREACH

You'll find Men's Alliance on the ground at conferences and events in Atlanta, Washington, Cincinnati, Richmond, Charlotte, and Jacksonville. We are meeting men through churches, civic clubs, and workplaces and inviting them out of isolation and into tribes.

CONCLUSION

God is so good. We are humbled to play a part in what He is doing – breaking isolation, restoring families, and sharpening men to look like Christ.

Thank you for standing with us.
